MARCHESI BISCARDO

In 2000, Nicola Biscardo developed a partnership with a winery in Verona that let him use their facility to produce his families wine again. He selected the best grapes from the most suitable areas in Valpolicella and with the support of two excellent wine makers, Giuseppe Vassanelli and Giuseppe Gallo, they continue to produce the famous Amarone della Valpolicella, the Valpolicella Classico Ripasso and the Marchesi Biscardo brands. The room lights up when Nicola arrives, full of life energy and general delight, Nicola brings a passion for his wines that is infectious. He is seen often in Pittsburgh and Philly.
